

FISHING SEMINAR

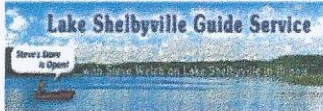

Atwood Grade School

February 23, 2014

Noon to 5pm

OPEN TO THE PUBLIC

LUR-SAVOR

The Atwood Hammond High School Fishing team is hosting a Fishing Seminar to raise money for the team.

Raptor Premium Spinnerbaits

Speakers

University of Illinois Bass Fishing Team

Will talk about what high school kids can expect at the college level.

John Wright - FLW Pro 40 top 10 finishes

Top tourney fisherman on Shelbyville.

One of the top money winners of all time on Shelbyville and an expert on fishing deep for big stringers of bass.

Guides Steve Welch & Allen Corzine

Welch and Corzine will present on how to fish deep water crappie on both Kentucky Lake and Shelbyville and show you how they target high percentage areas and the rigs they use. They will also show how they walleye fish on Shelbyville. They had a tremendous walleye/sauger season last season and they will show how they did it. Then they will give a very good Advanced Lowrance Electronics course and go into mapping, creating your own mapping, sonar settings and structure scan settings and give detail as to what you see in these pics and how to pinpoint active fish.

Admission \$5.00
