Dear Mr. Nelson,

On behalf of each of the children who will experience the power of a wish®, thank you for making wishes come true. Your gift helped make it possible for Make-A-Wish® Illinois to grant wishes like that of seven-year-old Annie.

Annie is a bubbly girl who lives with her parents and seven siblings! Annie is a 'girly-girl' who loves the color pink! In October of 2010, Annie was diagnosed with acute lymphatic leukemia, a cancer of the blood and bone marrow. When asked to reveal her most heartfelt wish, Annie wished to go to Disneyland in California with all of her family members!

Annie and her family spent four days in San Diego, exploring Sea World and visiting with Shamu. From San Diego, the family traveled to Anaheim where they spent two days at Disneyland and Disney's California Adventure Park. The highlight of the trip was when Annie got to meet Ariel and the other Disney princesses! Annie's mom wrote of the trip "*Annie's wish truly provided her something wonderful to look forward to & took her mind off all treatments. Annie describes her wish as an unforgettable time!*"

The ability to make these special wishes come true is possible because of your generous support. We thank you for helping us to grant the heartfelt wishes of children like Annie and the more than 700 courageous kids just like her who will receive a wish this year. We remain committed to our goal to reach every eligible child in Illinois with a joyous wish experience. Your gift lives on in the smile and memory of each wish child and his/her family, today and for a lifetime.

Very truly yours,

Stephanie Springs
Chief Executive Officer
